

Surface Transportation Board, DOT

§1108.6

(d) On January 1, 1996, the STB replaced the ICC. For purposes of these procedures, it is immaterial whether an exemption from regulation was granted by the ICC or the STB.

§1108.3 Matters subject to arbitration.

(a) Any controversy between two or more parties, subject to resolution by the STB, and subject to the limitations in §1108.2 hereof, may be processed pursuant to the provisions of this part 1108, if all necessary parties voluntarily subject themselves to arbitration under these provisions after notice as provided herein.

(b) Arbitration under these provisions is limited to matters over which the STB has statutory jurisdiction and may include disputes arising in connection with jurisdictional transportation, including service being conducted pursuant to an exemption. An Arbitrator should decline to accept, or to render a decision regarding, any dispute that exceeds the STB's statutory jurisdiction. Such Arbitrator may resolve any dispute properly before him/her in the manner and to the extent provided herein, but only to the extent of and within the limits of the STB's statutory jurisdiction. In so resolving any such dispute, the Arbitrator will not be bound by any procedural rules or regulations adopted by the STB for the resolution of similar disputes, except as specifically provided in this part 1108; provided, however, that the Arbitrator will be guided by the Interstate Commerce Act and by STB and ICC precedent.

§1108.4 Relief.

(a) Subject to specification in the complaint, as provided in §1108.7 herein, an Arbitrator may grant the following types of relief:

(1) Monetary damages, to the extent available under the Interstate Commerce Act, with interest at a reasonable rate to be specified by the Arbitrator.

(2) Specific performance of statutory obligations (including the prescription of reasonable rates), but for a period not to exceed 3 years from the effective date of the Arbitrator's award.

(b) A party may petition an Arbitrator to modify or vacate an arbitral

award in effect that directs future specific performance, based on materially changed circumstances or the criteria for vacation of an award contained in 9 U.S.C. 10.

(1) A petition to modify or vacate an award in effect should be filed with the STB. The petition will be assigned to the Arbitrator that rendered the award unless that Arbitrator is unavailable, in which event the matter will be assigned to another Arbitrator.

(2) Any such award shall continue in effect pending disposition of the request to modify or vacate. Any such request shall be handled as expeditiously as practicable with due regard to providing an opportunity for the presentation of the parties' views.

§1108.5 Fees and costs.

(a) Fees will be utilized to defray the costs of the STB in administering this alternate dispute resolution program in accordance with 31 U.S.C. 9701. The fees for filing a complaint, answer, third party complaint, third party answer, appeals of arbitration decisions, and petitions to modify or vacate an arbitration award will be as set forth in 49 CFR 1002.2(f)(87). All fees are non-refundable except as specifically provided and are due with the paying party's first filing in any proceeding.

(b) The parties may agree among themselves who will bear the expenses of arbitration, including compensation of the arbitrator. Absent an agreement, each party will bear its own expenses, including, without limitation, fees of experts or counsel. Absent an agreement, the fees of the Arbitrator will be paid by the party or parties losing an arbitration entirely. If no party loses an arbitration entirely (as determined by the Arbitrator), the parties shall share equally (or pro rata if more than two parties) the fees and expenses, if any, of the Arbitrator, absent an agreement otherwise.

§1108.6 Arbitrators.

(a) Arbitration shall be conducted by an arbitrator (or panel of arbitrators) selected, as provided herein, from a roster of persons (other than active government officials) experienced in rail transportation or economic issues

similar to those capable of arising before the STB. The initial roster of arbitrators shall be established by the RSTAC in consultation with the Chairman of the STB, and shall contain not fewer than 21 names. The roster shall thereafter be maintained by the Chairman of the STB, who may augment the roster at any time to include other eligible arbitrators and may remove from the roster any arbitrators who are no longer available. The initial roster shall be published; thereafter the roster shall be available to the public, upon request, at all times. For each arbitrator on the roster, the roster shall disclose the level of the fee (or fee range) charged by that arbitrator.

(b) The parties to a dispute may select an arbitrator (or panel of arbitrators) and submit the name(s) (and, if not already on the roster of arbitrators, the qualifications) of the agreed-upon person(s) in writing to the Chairman of the STB. Any person(s) so designated who is not already on the roster, if found to be qualified, will be added to the roster and may be used as the arbitrator(s) for that dispute.

(c) If the parties cannot agree upon an arbitrator (or panel of arbitrators), then each party shall, using the roster of arbitrators, strike through the names of any arbitrators to whom they object, number the remaining arbitrators on the list in order of preference, and submit its marked roster to the Chairman of the STB. The Chairman will then designate the arbitrator (or panel of arbitrators, if mutually preferred by the parties) in order of the highest combined ranking of all of the parties to the arbitration.

(d) The process of selecting an Arbitrator pursuant to this section shall be conducted confidentially following the completion of the Arbitration Commencement Procedures set forth in §1108.7 hereof.

(e) If, at any time during the arbitration process, a selected Arbitrator becomes incapacitated, unwilling or unable to fulfill his/her duties, or if both parties agree that the arbitrator should be replaced, a replacement Arbitrator will be promptly selected under the process set forth in paragraphs (b) and (c) of this section.

§1108.7 Arbitration commencement procedures.

(a) Each demand for arbitration shall be commenced with a written complaint. Because arbitration under these procedures is both voluntary and binding, the complaint must set forth in detail: the nature of the dispute; the statutory basis of STB jurisdiction; a clear, separate statement of each issue as to which arbitration is sought; and the specific relief sought. Each complaint shall contain a sworn, notarized verification, by a responsible official of the complaining party, that the factual allegations contained in the complaint are true and accurate. Each complaint must contain a statement that the complainant is willing to arbitrate pursuant to these arbitration rules and be bound by the result thereof in accordance with those rules, and must contain a demand that the defendants likewise agree to arbitrate and be so bound.

(b) The complaining party shall serve, by overnight mail or hand delivery, a signed and dated original of the complaint on each defendant (on a responsible official at his or her usual place of business), and an original and two copies on the STB, accompanied by the filing fee prescribed under §1108.5(a) and set forth in 49 CFR 1002.2(f)(87). Each complaint served on a defendant shall be accompanied by a copy of this part 1108.

(c) Any defendant willing to enter into arbitration under these rules must, within 30 days of the date of a complaint, answer the complaint in writing. The answer must contain a statement that the defendant is willing to arbitrate each arbitration issue set forth in the complaint or specify which such issues the defendant is willing to arbitrate. If the answer contains an agreement to arbitrate some but not all of the arbitration issues in the complaint, the complainant will have 10 days from the date of the answer to advise the defendant and the STB in writing whether the complainant is willing to arbitrate on that basis. Upon the agreement of the parties to arbitrate, these rules will be deemed incorporated by reference into the arbitration agreement.
